

effectively translated to the clinical setting for the benefit of patients. That clinical translation is so important.

The work of the commission will help improve the lives of the tens of millions of Americans living with diabetes while simultaneously beginning the process of reducing the staggering impact of diabetes and its disease complications and the dollars that, as has already been mentioned, are associated with that.

Mr. Speaker, I want to thank in particular Representative OLSON for his persistence, as was already mentioned, and for sponsoring this bill in the House. I was very happy to lead the way as the Democrat on this side of the aisle on this bill, and for my colleagues on both sides of the aisle who supported this bill that enabled House passage of the legislation earlier, as was mentioned, and now we are finally going to get it over the finish line. Mr. Speaker, I thank Representative OLSON in particular for his efforts on this.

Mr. OLSON. Mr. Speaker, I thank my colleague from Iowa for those kind words, and I reserve the balance of my time.

Mr. RUSH. Mr. Speaker, I yield back the balance of my time.

Mr. OLSON. Mr. Speaker, again, short and sweet. This is a good bill. It is the first step towards actually funding a cure for diabetes. Maybe we will do that. By the way, it leaves here and will be signed into law before this week ends. I urge my colleagues to vote "aye" when this vote comes up for a final passage vote.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas (Mr. OLSON) that the House suspend the rules and pass the bill, S. 920.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

DR. JOHN F. NASH, JR. POST OFFICE

Mr. RUSSELL. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2302) to designate the facility of the United States Postal Service located at 259 Nassau Street, Suite 2 in Princeton, New Jersey, as the "Dr. John F. Nash, Jr. Post Office".

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 2302

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. DR. JOHN F. NASH, JR. POST OFFICE.

(a) DESIGNATION.—The facility of the United States Postal Service located at 259 Nassau Street, Suite 2 in Princeton, New Jersey, shall be known and designated as the "Dr. John F. Nash, Jr. Post Office".

(b) REFERENCES.—Any reference in a law, map, regulation, document, paper, or other

record of the United States to the facility referred to in subsection (a) shall be deemed to be a reference to the "Dr. John F. Nash, Jr. Post Office".

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from Oklahoma (Mr. RUSSELL) and the gentlewoman from New Jersey (Mrs. WATSON COLEMAN) each will control 20 minutes.

The Chair recognizes the gentleman from Oklahoma.

GENERAL LEAVE

Mr. RUSSELL. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Oklahoma?

There was no objection.

Mr. RUSSELL. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I speak in support of H.R. 2302, introduced by the gentlewoman, Congresswoman BONNIE WATSON COLEMAN from New Jersey. The bill designates the post office located at 259 Nassau Street, Suite 2, in Princeton, New Jersey, as the Dr. John F. Nash, Jr. Post Office.

John Nash was a brilliant mathematician, publishing groundbreaking work in many areas. One of his most famous contributions was to the field of game theory, creating what is known as the Nash equilibrium.

For his achievements, he won a Nobel Prize in Economic Sciences in 1994, and the Abel Prize from the Norwegian Academy of Science and Letters in 2015.

Mr. Speaker, I look forward to hearing more about Dr. Nash's life from the gentlewoman from New Jersey, and I urge my colleagues to support the bill.

Mr. Speaker, I reserve the balance of my time.

Mrs. WATSON COLEMAN. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I do rise to urge support for my bill, H.R. 2302, which would designate the facility of the United States Postal Service located at 259 Nassau Street in Princeton, New Jersey, as the Dr. John F. Nash, Jr. Post Office.

As a legendary figure of Princeton University's mathematics department, Dr. Nash was famous both for his genius and his life story. Born in Bluefield, West Virginia, in 1928, Dr. John Nash was a child prodigy who graduated from the Carnegie Institute of Technology at age 19, with both a bachelor's and a master's degree in mathematics.

Dr. Nash subsequently received his doctorate in 1950 from Princeton University and published a groundbreaking theory of noncooperative games later that year, which is now known as the Nash equilibrium.

His monumental work in mathematics, game theory, economics, and evolutionary biology has influenced generations of experts in these fields.

In addition to his academic contributions, Dr. Nash gained worldwide acclaim from the 2001 film "A Beautiful Mind," which portrayed his vast accomplishments while living with schizophrenia and throughout his recovery from mental illness.

In recognition of his lifelong work, Dr. Nash was awarded a Nobel Prize in Economic Sciences in 1994, and the 2015 Abel Prize from the Norwegian Academy of Science and Letters.

Tragically, he and his wife, Alicia, were killed in an automobile accident in 2015 on their return from receiving the award in Norway.

Finally, I want to end my remarks by congratulating Ms. Lyla Malloy, the student in my district whose essay submission to our post office naming competition was chosen out of 84 entries.

Mr. Speaker, I urge the passage of H.R. 2302 in recognition of Dr. Nash's important contributions to our country, and I yield back the balance of my time.

Mr. RUSSELL. Mr. Speaker, I urge the adoption of the bill, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Oklahoma (Mr. RUSSELL) that the House suspend the rules and pass the bill, H.R. 2302.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.
